Here, it's all done. Give this to Boreum.
...But are these really correct? Now that I think about it, how do you know anything about women's proprieties?!
Are you sure you didn't just randomly guess these?
I've read all the books in the Provincial Office Library by the time I was 10 years old.
WHAT?! AT 10? YOU SOLVED ALL THESE QUESTIONS ONLY WITH MEMORIES FROM THEN?
Doesn't that mean that these answers are wrong?!
Ahh—
Don't worry. I can remember any book that I read at least once.

Very surprised for now but doesn't actually know the correct answers.

I thought you were just a useless moron. But, I guess you have this unexpected ability, huh.
Does Lee Sang-gong also know about this?
Of course. But never mind that, isn't it more important right now to give that answer sheet to Boreum?
nonchalant—

Ah, right.
Okay! Let's go back to the exam area.
Okay!

An encounter between two kids with special abilities...
I've always thought that Boreum and that kid got married because of the ties binding Lee Sang-gong and I...
But, perhaps, it is Lee Sang-gong and I that have ended up in Boreum and that kid's fateful encounter...
I should look into their future later on.
Back in the exam area
YOU'VE GOT 10 MINUTES LEFT~!

Calm down. Calm down. Those are all fake
What?! Fake?
Yeah. Those are incorrect answers that I created with my talisman
The answers that you wrote are on one of the talismans. That is, the paper that will fall in front of Boreum

Hide the real thing among many of the same things! Well, it's something like that.
What do you think~? You're not the only who can use their brain!
Sigh~ I don't think it's the best method...
But at this rate, it's likely that...
EXAM IS OVER!! DO NOT TOUCH THE TEST PAPER FROM THIS MOMENT!!

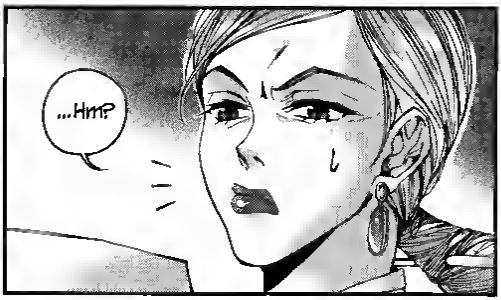
Hubby... You wrote that, didn't you?
Well, yeah. You managed to write everything down, right?
Hubby! That was bad!
He's cheating!
So you didn't write them?
...No... well...
Of course
I wrote them!

I had 6 questions that I was confused about, but those notes really saved me, you know~?
Kya
My my, me too...
They were incorrect answers though.
...What?
The answers that were written on the notes, they were all wrong.
I'm sure you could've figured it out if you had compared them with a few of the questions.
Aren't those the answers what we've learned with our body and head for over 10 years, but for you not to trust yourselves and to trust the notes from an unknown source, you should be ashamed.
And if you did write the answers from the notes, then obviously...

It's cheating!
We should find out who cheated immediately!
Pardon ...?
Well, I wonder... But the retrieved notes were all wrong answers,
Don't you think that this is just someone's prank?
You don't know. Even if we retrieved the notes on spot, we haven't searched the participants' body for them.
We cannot ignore the possibility that there could have been a real note hiding among the array of papers.
Hm... Now that you say that, it is possible.

...Don't tell me this was Mr. Park's doing...
But how can we distinguish the cheater from the others?
I doubt they'll still have the note on them.
That's simple. We just have to look at the results.
I'm certain that someone would've gotten an exceptional result compared to her peers.
These are the marks for this round.



Round 2 Written Test Result

Ahem—This is an announcement about a changed matter.

Under many circumstances, the judges have decided that the 2nd round: written test involved cheating and therefore
all marks will be treated invalid.

And now we will give you information regarding Round 3; We advise all participants to gather in the contest area—
Score 3
.....
.....
Oh yeah! I knew it!
Ah ah, Mic test—
Dear contest participants, there were a few scandalous events in the written exam, but all of you have done well so far.
Now, Round 3 is a handicraft exam. First of all, could the staff please give out the materials to participants?

Dear participants, you now have to take the materials provided to you and make a woman's winter waistcoat by tomorrow at this hour.
The judging criteria require the participant to give a briefing about their work to the judges tomorrow at this place.
You could say it's a take-home exam not an in-class exam, however I'm sure as a daughter of a noble family, you will truthfully show off your own real skill.
Yes. That was Hong Yeongsook, the president of the Women's Society. Now then, everyone, we will meet you back here at Wo-See!*
*T/N OLD WAY OF SAYING 11:30-13:30
Furthermore, after Round 3, there will be a lantern festival to celebrate the end of the Best Gynoecium Lady of Yeon-An Contest. I hope you all come and join us~

Phew—
Gyehwa~ is so excited~
Anyway, my lady, young master you've both done such a great job~♥
Hehe
Our lady's sewing skill is definitely the best, so we don't have to worry about Round 3!
What should we do if our lady takes first place?
Ahem! We can't let our guard down until the end.
For now, tell me what you're planning to do.
Well~ Since it's winter, I'm thinking of embroidering snowflake patterns on the waistcoat. What do you think?
Should I make a couple waistcoat~

Snowflake patterns because it's winter... it's seriously the most one dimensional thought but...
Well, I guess your magic will be enough to cover it.
Hm? I won't use magic though?
Yeah, you won't use magic...
hm~ hm~
WHAT?! YOU WON'T USE MAGIC? WHY?!!
That's obvious.
Since the other participants can't use magic, it won't be a fair fight.
Whuaat~ Look at this girl!
DO YOU KNOW WHAT KIND OF AGE YOU'RE LIVING IN?! IF YOU DON'T USE THAT, YOU WON'T BE ABLE TO WIN OVER SEOL!
This is the age of self-advertisement!
I've been sewing for 16 years, y'know?!
SEWING IS MY HOME GROUND! MY PRIDE WON'T ALLOW ME TO LOSE IN A SEWING FIGHT!

Sigh~ It's the same for Seol too. She was also locked in her room all her life, learning only women's proprieties.
What? Locked in her room? What do you mean?
You might not know since you lived in the mountains, but normal daughters of the noble families will get locked in their house from a young age to learn women's proprieties.
Seol, you are our family's last hope
Lord Kim is especially stricter about that. Seol's dad, Lord Kim, was originally the central administrator, but, after he was slandered, he was almost chased away to Yeon-An. And since Seol is the only child in the family, she grew up receiving a stricter education than her peers.

I never saw that girl do anything else other than learn women's proprieties.
Seol is a girl that grew up like that.
I know you're quite good with sewing but it's the same for her as well.
Furthermore, she has extensive knowledge about women's society handicraft techniques that you don't know!
I'm sure she'll make something that will suit the judge's test.
Uuu~

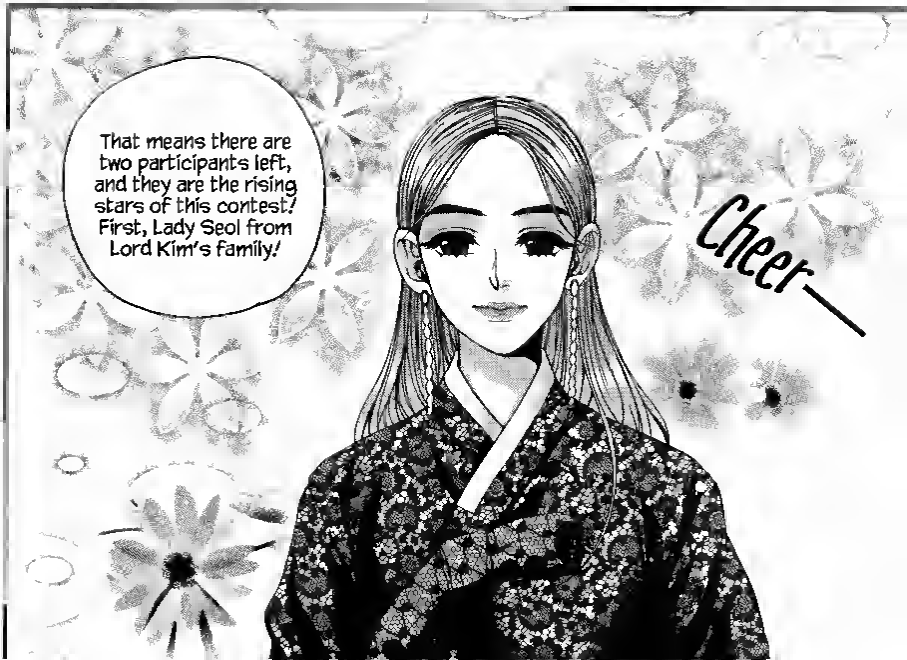
As I thought, you really are her friend huh?
You sure compliment her a lot~
WHAT?! ARE YOU CRAZY?! WHY WOULD I BE FRIENDS WITH SUCH A BORING GIRL, HUH?!
KRAWR
grumble
They're not compliments; it's called pitying.
She doesn't have a thing such as 'friends'. You saw her too, right? What her personality is like.
.....

...Gyehwa, you know. What do you do the best?
I'm best at fighting.
What?
Flex
Flex
Even if I look slender on the outside~ I'm in charge of disciplining the servants of the Governor's family, you know? You think it's unbelievable, right?
No, I can totally believe it...
...Then, Gyehwa...

Hypothetically speaking. If a new servant came to this house and took over your best-fighter position, how do you think you'll feel?
HA! OF COURSE, I'LL BEAT THAT PERSON INTO A PULP WITH THIS STONE HARD FIST!!
...My lady, are you perhaps talking about Lady Seol?
Y-Yeah...
Winning or losing, even the best warrior experiences both.
My lady. Regardless, you've also given your best these 3 days to prepare for this contest~ They say that competition is Byeong-ga-ji-sang-sa, which means winning and losing is a common....
Gyehwa, you look really different today...
...Sigh...

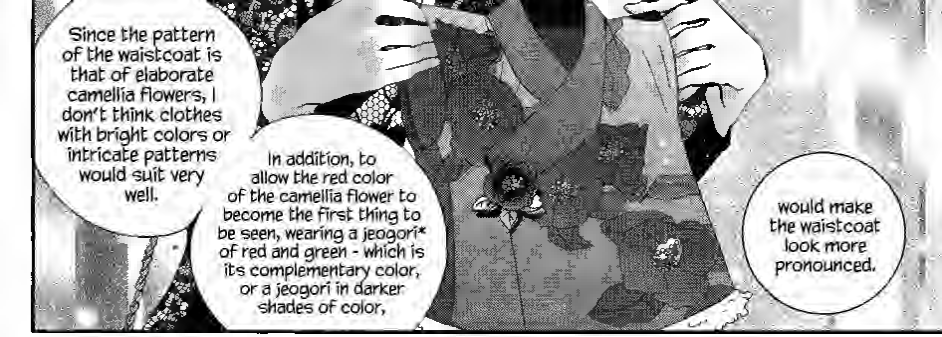
The next day Wo-see, in Chung-shim-roo, Yeon-An.
I did this and that and this is the waistcoat that I made.
Hm...
Can you explain the method you used to sew that button part?
Ugh... T...That is...

Ah... Uh... I...I'm sorry...
Disqualified
YES~ THERE IS ANOTHER DISQUALIFICATION~ THIS PARTICIPANT SEEMS TO HAVE BEEN DISQUALIFIED DUE TO USING A SUBSTITUTE TO SEW THEIR WAISTCOAT~
Since sewing is a subject that clearly shows one's personal skills and experience
it seems there are more disqualified people than in the other subjects.
buzz
buzz



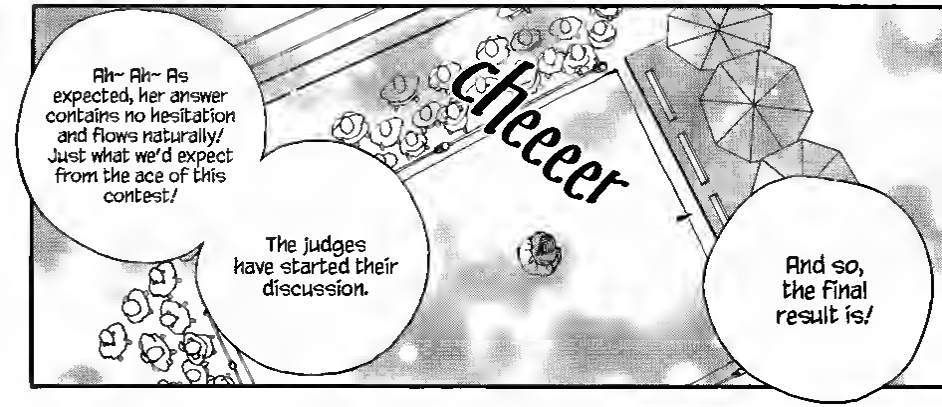
That means there are two participants left, and they are the rising stars of this contest! First, Lady Seol from Lord Kim's family!
Cheer—

I made a waistcoat that is embroidered with camellia flowers, which bloom in winter.
I haven't embroidered any other fancy design in the background so that the red color of the camellia could be emphasized.
Also for the flower's pistil and stamen parts, I adorned on some special pearls imported from China as accessories to add to its stylishness.
The sewing and the shape are both exceptional. If that's the case, describe to us what kind of clothes would suit your waistcoat.
So pretty~
Wow~

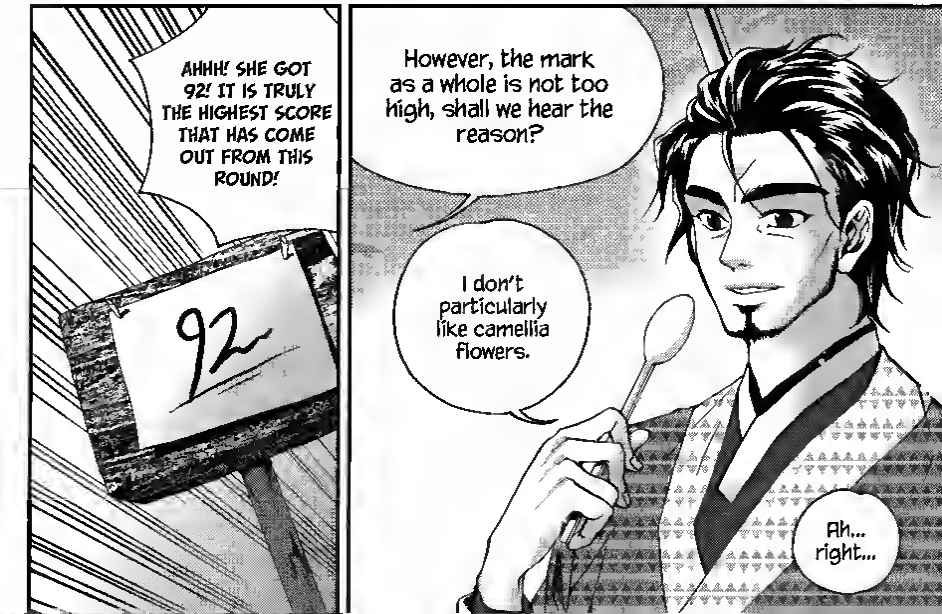


Since the pattern of the waistcoat is that of elaborate camellia flowers, I don't think clothes with bright colors or intricate patterns would suit very well.
In addition, to allow the red color of the camellia flower to become the first thing to be seen, wearing a jeogori* of red and green - which is its complementary color, or a jeogori in darker shades of color,
would make the waistcoat look more pronounced.

*T/N: JEOGORI IS THE TOP PART OF KOREA'S TRADITIONAL CLOTHES HANBOK (FEMALE ONE)



Ah~ Ah~ As expected, her answer contains no hesitation and flows naturally! Just what we'd expect from the ace of this contest!
cheeer
The judges have started their discussion.
And so, the final result is!



AHHH! SHE GOT 92! IT IS TRULY THE HIGHEST SCORE THAT HAS COME OUT FROM THIS ROUND!
92
However, the mark as a whole is not too high, shall we hear the reason?
I don't particularly like camellia flowers.
Ah... right...

step
It is these kind of unusual variables that make Best Gynoecium Lady of Yeon-An Contest interesting! And finally, we've come this far!
Our final contestant is~ the rising star of the women of noble families, Park Boreum!!
*T/N: ALTAIR AND VEGA — KOREAN TRADITIONAL LOVE STORY ABOUT ANGEL AND COWHERD — JIK NYEO IS THE NAME OF THE ANGEL WHO WAS THE BEST WEAVER IN HEAVENLY WORLD — IN THIS MANHWA, BASICALLY BOREUM'S MOTHER
**YANG — IS JPN EQUIVALENT FEMALE VERSION OF —KUN
IF SHE GETS A SCORE ABOVE 95, THEN WINNING IS NOT A DREAM! SHE'S THE DARK HORSE OF HANDICRAFT, RUMORED TO BE THE DAUGHTER OF JIK-NYEO!* WHAT WILL THE RESULT BE FOR PARK BOREUM YANG?!** WE WILL REVEAL AFTER 60 SECONDS-!
PLEASE LOOK FORWARD TO IT
